Email: [mary.manning-](mailto:mary.manning-falzarano@montgomerycountymd.gov)

falzarano@montgomerycountymd.gov

www.montgomerycountymd.gov/infantsandtoddlers

Children are eligible if they meet the following criteria: demonstrate a 25% delay in one of the developmental areas, have atypical development or have a high probability condition that would likely result in developmental delays. The program includes a developmental assessment; a review of family concerns; priorities and resources; meetings with the family to develop an individualized family service plan; service coordination to ensure that the individual and his or her family receive needed services which may include but are not limited to physical therapy, occupational therapy, audiology, health/medical services, nursing services, nutrition services, psychological services including specialized play groups or therapy sessions, counseling, speech and language assistance, special instructional services, transportation, and parenting skills development; and ongoing evaluation of the child's progress and his or her changing enrichment needs. These services are provided in a family centered practice model where families participate with service providers to learn skills and strategies to support their children's development. All services are provided at no cost.

Early Screening, Diagnosis and Intervention Program

Jennifer Arnaiz, Manager III/Acting Administrator

240-777-3055 (V)

240-777-4769 (Main)

Email: jennifer.arnaiz@montgomerycountymd.gov

The initiative's multi-prong approach includes the promotion of an electronic screening and data management tool among area pediatricians and County clinics, expansion of efforts at the Montgomery County's Infants and Toddlers Program (MCITP) to quickly diagnose infants and toddlers screened positive for developmental conditions such as autism, and the adoption of electronic tools and new strategies to expedite referrals to MCITP and to evidence based interventions after the identification of a developmental delay.

Ivymount School

11614 Seven Locks Road

Rockville, MD 20854

301-469-0223 (V)

www.ivymount.org

The **Autism Program** provides highly structured teaching environments using the Applied Behavior Analysis methodology. The program provides students ages 4 to 21 with one-to-one, two-to-one and small group instruction. Speech and language, occupational therapy, and related services are delivered in a consultative classroom model. The **Multiple Learning Needs Program** serves students with disabilities including Autism/PDD, developmental delays, speech / language and other health impairments. The program serves students Elementary/Middle School (grades K-8) and Secondary School (grades 9-12), ages 4 to 21 (students earning Certificate of Completion). The school provides therapeutic, social and pragmatic skills programming depending on the ages and learning needs of the students. Career development is embedded in the educational program. The **Model Asperger Program (MAP)** is for students with average to above average cognitive abilities but struggle in mainstream learning environments due to difficulties with social skills, executive functioning, flexible thinking and self-regulation. Serves students elementary/Middle School (grades K – 8) and Secondary School (grades 9 – 12).

Jewish Social Service Agency

200 Wood Hill Road
